Editor-in-Chief
Communications on Stochastic Analysis

Dear Professor Kuo,

Thank you very much for your letter. I was very happy to learn that you will be the editor of a new mathematical journal, *Communications on Stochastic Analysis*. The journal will surely become an important venue for publishing high quality work on stochastic analysis.

I am also very honored and grateful that you wish to dedicate the inaugural issue to me and my work. Please give my best regards to the members of the editorial board. I look forward to studying the articles in the journal to learn about the new developments in stochastic analysis.

Yours sincerely,
